### **HENTY FOOTBALL CLUB ANNUAL GENERAL MEETING**

Sunday 8th November 2009

At the Football Clubrooms

Time: 6pm

Please come along and show your support.

### **SWIMSAFE CLASSES STARTING SOON**

Australian summers usually involve plenty of fun in and around the water. But no parent can forget how important it is to make sure children stay safe.

Swimsafe classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make Swimsafe affordable for the children in the family.

Sport and Recreation runs Swimsafe classes in pools all over the state, including somewhere near you.

Swimsafe has been going for more than 30 years, with more than 15,000 people attending classes each year. Swimsafe instructors are nationally qualified and screened for the suitability to work with children.

Prices for nine lessons are \$57.30 for school-aged children and \$43.00 for preschoolers (prices exclude pool entry fee).
