Principal's Message

Merit Awards

We have a number of children who have gained five Principal Awards during their time at Henty Public School. To recognise outstanding achievement, we have added another level to our merit awards—the Honour Award. Any student who has collected five Principal Awards can bring them into the office.

I would like to congratulate Shantelle who will receive the first Honour Award. A very deserving recipient.

Henty Machinery Field Days

We thank to everyone for their contribution to the Field Days. I also acknowledge that children may wish to spend some time with you out there. There will be a bus leaving after school to take children out to parents who are working in the sheds. To assist the school with preparations for the week please fill in the note with this Kalori indicating the movements, if any, of your children.

Henty Idol

The finals of the Henty Idol will be held on Friday 25th September at 12 noon. There wont be a staff performance this year because of teacher absences. We will be bigger and better next year!!!!!! Good luck to all participants and thankyou to the SRC for organising it. There will be a full rehearsal of our production in the morning 9:30—11:30am.

Class Notes

Kindergarten

Lucinda Coggan

Kindergarten have been busy and are working very well.

This week we are looking at the 'or' sound as in fork. We have two 'or' words in this weeks spelling list. In handwriting we are learning to form the letters 'x' and 'o'. In maths the children are sequencing events in time and also focusing on addition.

As a part of the HSIE component in our COG's unit we are talking about the difference between school and home.

The 'Fame' dance is looking fantastic for the school performance. Please remember to send in a plain white shirt as soon as possible for this performance. I am hoping to have these all in by Friday.

Mrs Ellis will be here on Thursday for the last Art lesson of the term. The students have been very enthusiastic about Art and have created some fantastic things.

Year 1 – 2

Jemma Harding

This week we are looking at the sound 'sh' as in shell. The students have brainstormed words and will be practicing 'sh' words for homework. Year 2 has an extension word list for homework also.

In maths this week we will be learning about measuring and division.

Our patterned animals are still on display in the office. So if you haven't had time to have a look I would encourage you to pop in and have a look at some excellent work.

Thankyou to all the parents who came to watch our photo movie at assembly last week. I know the students were very proud.

Please bring in \$1 this week. This will contribute to buying a disc so that you can get a copy of our photo movie. We will also be doing some cooking as part of our procedures unit.

Remember to bring in your black shirt, flannelette shirt and a pair of jeans for the performance. (All costumes to be in by end of this week)

New homework has been handed out and remember it needs to come back on Friday. It's important that students **practice** their **spelling words every night** and are **reading regularly**.

Class Notes

Year 3 — 4

Mary Liston

- Good Luck to our Lions Debaters, Hayden, Ellen, Nakita and Teneale as well as Ben as the Public Speaker, who compete at The Rock today. We wish them well.
- Homework was sent home yesterday, and children are encouraged to continue to complete Mathematics, if they can access it at home, as part of their homework.
- A reminder to all students to remember to change their home readers and to please bring the usual requirements to class such as pens, pencils, glue stick etc. As we near the end of term many supplies are declining.
- Maths this week will focus on subtraction with trading for Year 4 and Year 3 will concentrate on division.
- Field Days will take place next week and a reminder if there is a change in routine for your child, please let the school know so we can ensure those changes are carried out.
- End of year production—thank you to all those who have brought in their clothing. Please continue to do so in a clearly marked bag, ensuring that the clothing is also labelled.

Year 5 — 6

Jolonna Truin

Congratulations to the Premiers debating Team from our class who yesterday won their debate against Koorungal PS. This is a fantastic achievement and the girls have done very well.

Congratulations to Robbie who won the best model for his section in the Billabong High School. Robbie made a terrific model rocket out of pepsa cans.

This Thursday is the Wagga eisteddfod. Please make sure you keep practicing. You will also need to remember to wear your black pants to school on Thursday.

Homework is back this week. Please ensure that you complete your homework and return it on Friday.

Please also keep practicing your part in the play.

Final payment for excursion is due this week. Please check to ensure you are fully paid.

Sport

Well done to everyone who participated in the Bernie O'Connor carnival. The day turned out to be beautiful. What great weather for us. It was wonderful to see all children doing their best and there were a lot of improvements evident in the children as the day progressed. Especially those children who had never played that particular sport. The carnival is all about participation and enjoyment and this was clearly evident amongst our children.

A huge thank you to all those parents involved. The coaches, goal umpires, scorers' and spectators and supporters. Thank you for your involvement and time. It is certainly much appreciated and our children's involvement in activities such as this, would not be possible

without your assistance.

Next Friday (11th September) is the Riverina Athletics Carnival in Albury. We wish those students representing our school the best of luck.

Miss Truin
Sports Coordinator

SEWING BEE CHANGE OF DATE

A sewing bee will be held on Wednesday 7th October starting at 9:30 am in the school library to prepare for our school play. Any assistance would be greatly appreciated.

HENTY MACHINERY FIELD DAYS CATERING

Could those people cooking the eggs please collect them by Friday 18th September to be returned on Monday 21st. There are 10 dozen eggs at the school now ready to go. They will need to be cooked, shelled and mashed ready to make sandwiches. Mayonnaise will be added at the school on Tuesday morning. Thank you to those who have volunteered their time to do this.

ASSEMBLY

There will be no assembly this week.

SUNSCREEN

Sunblock sunscreen can be purchased from the office at a cost of \$6.00 tube and \$5.00 roll-on.

This is an excellent quality sunscreen. If you would like to purchase sunscreen, please visit the office.

Henty Machinery Field Days Catering

Small's will again operate their bus to the field day site for children to be taken out after school. We thank Kerry and Garry Small for their assistance. Please complete the note on page 8 of this Kalori to indicate if your children will be travelling out to the Field Days on the bus.

For those assisting with making sandwiches—the canteen will be open from 6:00 am to commence this activity.
