# Class Notes

## Kindergarten

Lucinda Coggan

This week we will be revising sounds and spelling words.

Maths this week will focus on addition and revising concepts which have been taught this term.

The sight words for this week are 'brother' and 'sister'.

Due to the Field Days week there will be no Home Reading or Homework this week. We are looking forward to the Idol final this week which will be held on Friday.

Many children have sent in their plain white T-shirts which is fantastic. Please remember to send these in as soon as possible.

## Year 1 – 2

Jemma Harding

This week we are looking at the sound 'th' as in thong. The students have brainstormed words and will be practicing 'th' words for homework. Year 2 has an extension word list for homework also. I realise that this week is going to be very busy for most families therefore I understand if homework is not completed.

Thank you to everyone who brought their money in for cooking and a disc last week. Our jelly turned out great. We will be writing a procedure using the photos from the students making the jelly. Hopefully I will get all discs copied during this week.

In maths we will be learning about number patterns, positions and area.

Within our COGs unit we will be looking at appropriate touch as well as role playing safe and unsafe situations.

I am looking forward to spending my last 2 weeks with everyone. As well as going to the famous HMFD for the first time. What a fantastic school Henty Public School is.

# Class Notes

## Year 3 — 4

## Mary Liston

- Well done to our debaters, Hayden, Ellen, Nakita and Teneale as well as Ben the Public Speaker, who competed at The Rock last week. Next term in Week 2 we will have 2 teams from year 3 & 4 debating against each other, as no junior debate will take place in that round of the Lions, more on that next term.
- Homework was sent home today, please note it will be for the next two weeks due to the disruption for families over Field Days.
- A reminder to all students to remember to change their home readers and to please bring the usual requirements to class such as pens, pencils, glue stick etc. We did a check today and most students are well equipped. Please follow up with your child if they need to restock.
- Procedures are continuing this week and students are required to construct a range in class. Please talk with your child about the various procedures that take place in the home.
- Field Days will take place this week and a reminder if there is a change in routine for your child, please let the school know so we can ensure those changes are carried out.
